

I Go to Storytime at the Library

I walk into the library and go downstairs to the children's department.

I can take the stairs or the elevator.

It is storytime!

**I walk into the
Children's
Program Room at
the library.**

**I find a spot to sit
in the room.**

**The picture
schedule tells me
what we will do
today.**

**The librarian
says hello to me
and my family.**

**We sing a
welcome song
together.**

**I get my body
ready for story
time.**

**I move my body
and breathe to
feel calm and
ready.**

I listen to rhymes.

**Sometimes there
is a rhyme on the
flannel board.**

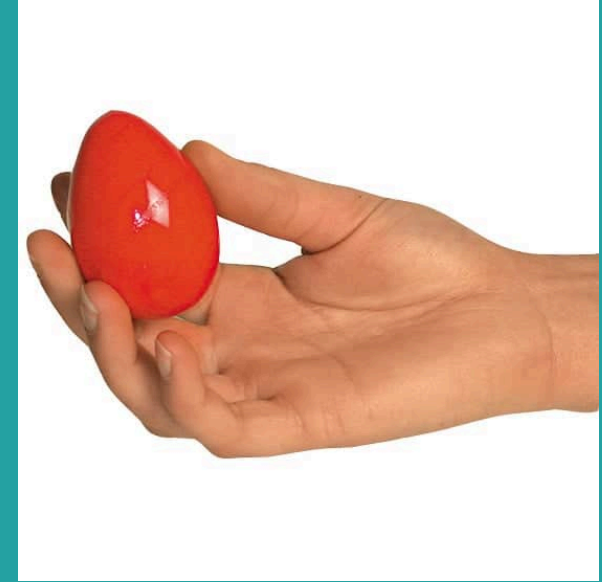

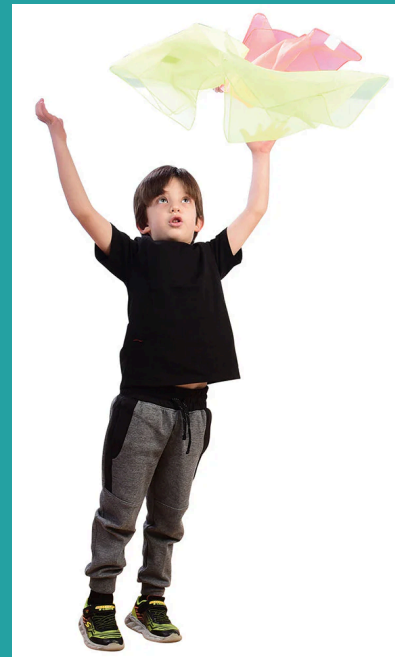

I listen to stories.

**Sometimes there
are things to
touch and feel
after the story!**

**After we finish
the stories, we
have lots of fun!**

**There may be
shaker eggs,
scarves, or a
parachute to use.**

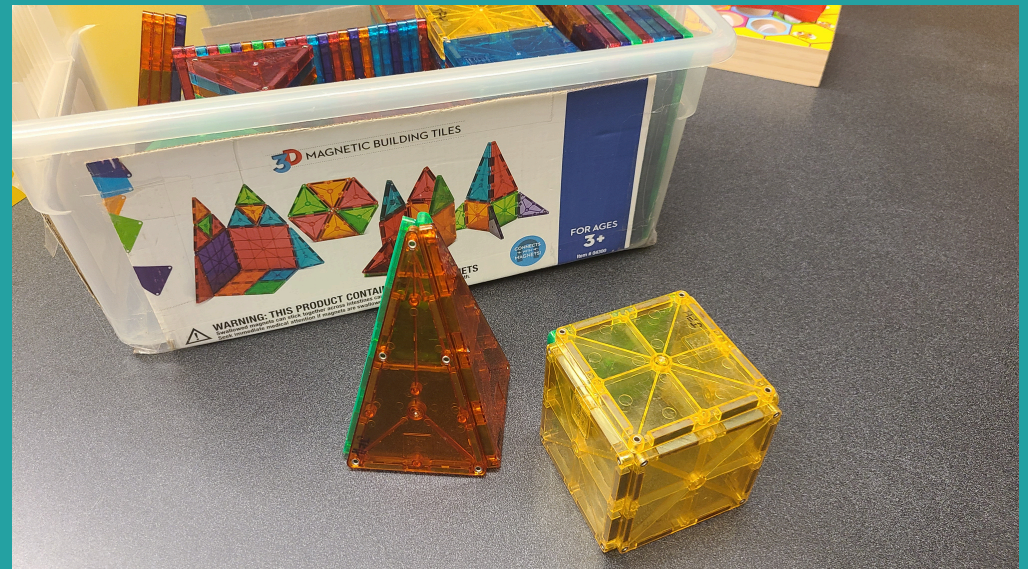

**Storytime is
almost over.**

**We sing the
good-bye song
and get ready to
go play!**

**After storytime, I
can play in the
room until my
grown-up says
its time to leave.**

**I love coming to
storytime!**
